

# HOW TO DRAW A FROG

- Draw lines lightly so you can erase some.
1. Make a long triangle
  2. At left side of triangle make rectangle with round top
  3. In front of rectangle make small fat triangle
  4. Make backward fortune cookie at small end of 1st triangle.
  5. Add feet with round nubs on toes
  6. Add belly and throat lines
  7. Add eye and half circle above eye
  8. Add half circle under eye
  9. Add spots. 10. Erase dotted lines
