

HOW TO DRAW A TURTLE

1. make a big circle
2. make a curved line inside the circle
3. make a circle under the curved line
4. give it 2 eyes & eye brows
5. give it a mouth and 2 nose mark
6. give 2 half-circles for legs.
7. make another curved line above the curved line
8. put in shell lines starting at top of circle & going down to first curved line
